

HUTT CITY DANCE CENTRE

Last for Term 4 2011-12-07

A HUGE thanks to all helpers at our **Villains show**...backstage, fundraising, dressing rooms/hall and security all worked wonderfully and Art and I are humbled by your generosity – time is precious – and we know from your feedback that you had a ball sharing this exciting time with our dancers young and not so!!! Also thankyou to our parents, caregivers and grandparents who trusted us with their children, knowing that we would keep them safe and experiencing a full on weekend where they made new friends and gained confidence by being on stage and also being responsible for themselves.

Photo albums are at the Studio with order slips for the last few people yet to view them. DVDs that have been ordered and paid for will be available at the breakup.

2012 enrollments.....

Please email us if you are **not** returning – otherwise all enrolled students retain their places in class unless notified.

We are presently finetuning our Timetable and will try to keep most class times the same.

There will be variations on extra classes offered so keep an eye on the web site in January.

We will also put the new timetable up on the door of the Studio in mid Jan. Please remember that we are taking a large group of students to the Australian Showcase Competitions from 16th – 26th Jan so we wont be available during that time.

HCDC will reopen on 13th Feb for all Jazz classes and boys dance classes. Hip Hop, Ballet, Contemporary etc will start our second week of term. Please email me if you want to add/delete classes for 2012. We will talk to students of options during class time this week.

There is a large amount of HCDC lost property in the dressing room so please check it out if you are missing something.

We are having a one week sale on our smaller sized HCDC shorts – great for summer wear or a surprise xmas gift. Was \$35pr pre Xmas only \$20pr. Limited stock – sizes 6, 8, 10 and 12s.

**Art and I and our Staff wish each and every one of you a wonderful Xmas full of laughter and family and hope you travel safe.
We look forward to another full on year for 2012.**
